

Referral/Consultation Form

Linda Seidel and her team support CCAKids with a contribution for purchases made by our members. You must use this order form and fax or mail it with your payment. This is a “win-win” for all: you will benefit with the best advice and products and CCAKids will be gifted with a monetary contribution. Here’s how to begin:

1. Call 1-800-471-2601 for a consultation with Linda Seidel.

To determine your shades, the first step is to schedule your “one time” phone consultation with Linda by calling 1-800-471-2601 ext. 207 or email linda@lindaseidelpro.com. Linda has been helping people with facial differences for 30 years. During your appointment, she will ask a series of questions that will help her better understand you and your cosmetic needs. A consultation takes approximately 20 minutes.

2. Order the products that Linda has selected for you.

To ensure that you receive the best shades for your skin tone, a phone consultation **is required**. Please note: orders placed without an initial consultation cannot be processed. Re-orders of individual products may be placed **ONLY** with this form to ensure that CCAKids receives its contribution.

Linda has created 6 kits with a selection of shades from which you will choose the shade you need to match your skin tone. During your personal consultation, Linda will be able to further customize your kit specifically for your needs. And once you’ve determined the best match, you’ll be able to reorder only the shades that you use. Each kit plus Linda’s consultation is \$135.00.
